# WELCOME TO SILLA UNIVERSITY

## *History and Ideology*

The history of the university goes back to 1954 and takes its origins from Busan Women's Junior College. In 1997, the university's name was changed to Silla University and since then the university has focused on cultivating creative leaders, who are ready to use the knowledge-based information society of the 21st century.

## *Goals of Education*

Development of:

- Intellectuals who have Respect for Man's Life and Dignity and value liberty.
- Creative Professionals who can realize themselves and contribute to the country and mutual prosperity of mankind.
- Democratic Citizens who practice love and service, have the Character and personality to live with others in the world in a harmonious and cooperative way.

## *Best Campus & Study Environment*

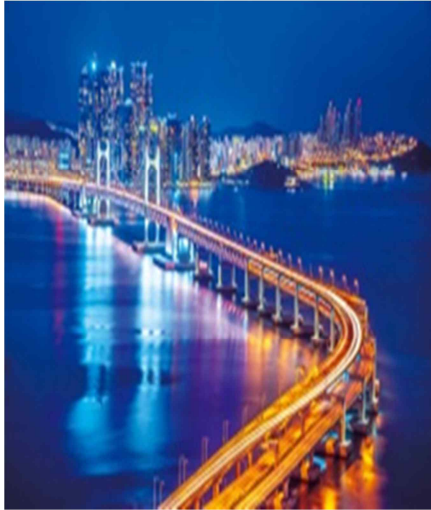

Equipped with cutting-edge digital facilities, which makes an education process very convenient, the 1,800,000 m<sup>2</sup> campus of SU lies subtly in the mountains, where a constant breeze of the fresh air provides a great study environment. SU's Campus, has been ranked within the top ten most beautiful campuses in all of Korea.

## *Leading Global University*

From just a small College of Education, SU has grown into a 4-year university with nearly 11,000 students, 7 colleges, 4 graduate schools, offering about 60 majors. SU has sister-relationships with 47 universities from 12 countries. The university has over 600 foreign students from 47 countries, and is constantly striving to make a welcoming environment for them.

# WELCOME TO BUSAN

Busan is the second largest city in Korea and the largest port. City`s most charming tourist point is its beautiful sea sceneries. The southeastern beach areas have amazing views of the fantastically shaped rocks and islands, which are a must see. The famous beaches of Haeundae, Gwangalli, and Songjeong are enjoyed by many. Boating, jet skis, and banana boats are just among a few of the water recreation activities visitors can take advantage of.

# LANGUAGE COURSES & ACTIVITIES

**Korean Language Course** will be available to participants with all levels of Korean proficiency from absolute beginners to advanced learners. Silla University Korean Language Education Center (SUKLEC) provides a top ranked Korean Language education, and has some of the best and highly trained language instructors. SUKLEC specialists work hard on quality of education and development of specialized programs. It was the first university in Busan to publish its own Korean textbook series back in 2006. In addition, these study materials have been translated into various languages and distributed abroad, which shows excellence of Silla University`s Korean language education.

## **Class Schedule:**

Monday to Friday

**Time:** 9:00 am to 13:00

\*total: about 40 hours

## **Levels:**

Beginners

Intermediate

Advanced

*Note:* Participants will be divided into groups based on results of the level test on August 1st. Little or NO prior knowledge of the language is required for the beginner group, and even if you never studied Korean language before, it will be a great opportunity to broaden your horizons and knowledge.

**Hands-on experiences of Korean Culture** Aside from in-class Korean language learning, Silla Wave offers a range of activities for participants of the program to experience Korean culture hands-on. ‘Silla Wavers’ will get to participate in activities like cooking traditional food, tea ceremony, making traditional masks (Korean craft making), Taekwondo, traditional instruments Samulnori, and try on traditional costume Hanbok, which will develop a deeper understanding of the country.

**Culture Exchange with Korean students** Our buddy program aims to help foreign participants to adjust to Korea and have a chance to explore the dynamic city of Busan on their free time. Participants of the program will be paired with their buddy who is a student of Silla University and will be encouraged to get to know their new international friends and participate in a friendly, ongoing cultural exchange.

# 'SILLA WAVE' TOURS

Participants will have a chance to explore Korea by visiting some of the most dynamic and most popular tourist sites of the country. Courses of the trips include locations in Busan and surrounding area, Geoje Island & Oedo Botania, cities of Ulsan and Gyeongju.

**Geojeo Island & Oedo Botania** Geojeo Island is Korea's second largest island (after Jeju) with breathtaking scenery, which boasts the bulk of the South Sea's tourist attractions, with Oedo Island Paradise as one of the most impressive of them. Oedo-Botania is a marine botanical garden, which has a beautiful view of the crystal blue South Sea and surrounding landscape. It is 4 kilometers away from Geojeo Island. About 20 minutes by ship from Gujora Port, past Naedo Island. Oedo Paradise Island is without a doubt, a true paradise.

**Ulsan (Hyundai Plant tour)** As Hyundai Motor's main production facility, the Ulsan Plant is located in the city of Ulsan. It is comprised of five independent plant facilities on a land spanning 5,000,000 square meters. The plant is the world's largest single automobile plants and employs over 34,000 personnel to produce an average of 5,600 vehicles a day. The plant has its own port where up to three 50,000-ton vessels can anchor simultaneously and operates a fire station, hospital, and patrol cars all within the grounds.

**Gyeongju Historic Area Tour** Known as 'the museum without walls', Gyeongju holds more temples, rock carvings, pagodas, Buddhist statuary and palace ruins than any other place in South Korea, resulting in multiple sites being designated a UNESCO World Cultural Heritage under the name of the Gyeongju Historic Areas.
